

Sunday Greeters

Part of the vision of Faith Lutheran Church in the mission field is to welcome new people to our congregation. The Board of Evangelism would appreciate anyone willing to volunteer to be a worker in the mission field in our narthex each Sunday morning at 9AM or 11AM. It is important to have greeters at each service. Anyone willing to volunteer to be a Sunday Greeter in **August** for either the 9AM or the 11AM services, please sign up **SOON** on the sheet that is located on the Evangelism bulletin board.
